MySchoolAnywhere

Flyers were sent home with students about the MySchoolAnywhere service. If your family has already registered online, you may disregard it. For any families who have not yet registered, please complete the form and return it to the school this week. It's important that we have **every** student's name and teacher so that we have a complete directory. We don't want any students feeling left out. Parents have the option to keep contact information private.

If you need assistance registering or have any questions about MySchoolAnywhere, please contact Tanya Arias at tanya.a.arias@gmail.com.
